March 2021

At our March meeting Board members discussed reporting to our school community and how that will look in the future. Ideas presented for discussion. We hope the home learning pamphlets that went home with parents/caregivers at 3 way conferences are useful and helpful.

Chatbus is up and running now and it is great to see the bus coming to Tisbury School on a Thursday. We have had a very good consent rate from our families.

Teacher Only day on Friday 7th May was approved by the BOT in order to join with other schools to develop a working relationship with our local Marae around local curriculum design. Please put this date in your diaries as this is a no school day.

We are awaiting the start of our next building project which is the Learning Support Co-ordinator space and the Accessible Bathroom provision. This is due to start at the end of August.

We are at the end of a first busy term for the year Wishing all our families safe and happy holidays – take care everyone.
