

# BOARDLINK

## June 2020

We are nearly at the end of what has been a very different term. The Board of Trustees would like to thank all staff for their efforts over lockdown to ensure our students had continued learning opportunities. Also a big thank you to our families for supporting your children in what was not an easy time.

At our recent board meeting last week Mrs Joyce presented data around Numbers and Algebra in Maths, Reading and Writing. Results were pleasing with extra work to be done around student writing. We have employed an additional teacher to start next term for a few hours a week to come and work with some extension students on writing with an end goal of entering a speech competition.

We are planning a Teacher Only Day on Monday 24<sup>th</sup> August 2020 so staff can engage in curriculum development in maths. Mark this date on your calendar as there will be no school.

We have received our final ERO report as a result of ERO visit in Term 1. This was very pleasing to read and reinforces our aim of providing quality education to all our students. A copy will be posted on our website once ERO release it publicly.

Wishing all our families/whanau very happy holidays and hope to see you all again soon back in Term 3 for a more settled time.

Manaaki – take care

E Wilson  
BOARD CHAIR
