

Engaging Parents in Student's Education – 2020

Engagement is a two-way partnership between home and school that enhances community collaboration and partnership that extends and enriches opportunities for students to become confident, connected, resourceful live long learners.

Tisbury School BOT/Staff Goal for 2020 is to:

- 1) Communication – seesaw for sharing a report on students work - how is it going, the likes, challenges, dislikes. Same for Skool Loop.
- 2) Religious Instruction in the Junior School - does our Whānau want this to continue as is (Rooms Mataura, Awaura, Oreti) 8:45 to 9:15am
- 3) How can we encourage your involvement in our school?
